

CeBIT 2010: Latin-American Business Delegation Meets European ICT Entrepreneurs

The EU-Programme AL-INVEST IV will organize Business Meetings between Latin-American and European companies at Cebit 2010. The individual face-to-face-meetings can be coordinated in advance of the fair. Expected are entrepreneurs and professionals from Brazil, Chile, Mexico, Paraguay, Uruguay and other Latin-American countries.

Date: 02nd – 06th March 2010
Location: AL INVEST-Booth No. J 12, Hall 6 / or at the booths of the matching partners
Deadline: 26th February 2010
Cost: Due to the financial support by the European Commission, participation is free of cost

The main objective of the project is to create a platform for personal meetings in the ICT sector on the world's leading ICT fair. Invited are European companies interested in joint ventures, trade or technology- and know how-transfer in the information- and communication technologies. The main sub-sectors are:

- Business-Software (ERP, CRM, SCM)
- Mobile and Wireless-Technologies
- Virtualization software (Server, Desktop, Storage, Network)
- Software development environments and tools
- CAD / CAE
- Safety and authentication solutions
- Branch software
- Cloud Computing and Software as a Service (SaaS)
- Outsourcing and Offshoring
- Convergent nets
- Tracking-System (GPS etc.)

European professionals who wish to arrange meetings and to obtain the Latin-American company profiles in advance of the fair are asked to send the below answering form to AMIK GmbH.

Answering Form

By fax or mail to: AMIK GmbH, Mrs. Marianne Vaske
Fax: (0)221-310 18 43, Tel: (0)221-310 18 41, mvaske@amik.de
